

WE ARE LEARNING...

OUR SCHOOL VALUES

To be a RESPECTFUL.

We do this by treating others with care and kindness, following classroom routines and looking after our resources and learning environment.

You can help me at home by acknowledging my effort to be respectful towards my family, friends, pets, belongings and environment.

LITERACY

To read with strategies such as re-reading and reading on.

To use inferring skills to understand literal and implied information in books.

To write and record ideas using capital letters, finger spaces, full stops and compound sentences.

To enhance our oral language and writing with descriptive language and increasing vocabulary.

To speak and listen with confidence and respect.

Help me at home by encouraging me to read and write about the things that interest me. A personal journal could be a great tool to support this!

NUMERACY

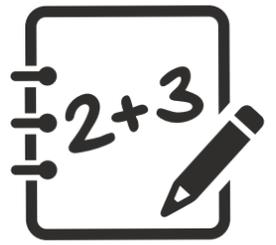

To investigate a range of addition strategies and how we use these in our everyday lives.

To investigate and practise a range of subtraction strategies.

To develop an understanding of time durations, money concepts, chance and probability.

Help me at home by asking me to add and subtract everyday items.

Challenge me to read the analogue clock! Support me to understand chance and probability by discussing weather patterns and the change of rain on particular days.

INQUIRY FOCUS

To investigate Social Responsibility and how to apply it to everyday life.

To make connections to the past and determine how we have changed over time.

To understand the history of Canberra where we live and make comparisons.

To predict, hypothesise and problem-solve.

Help me at home by telling me stories about the past or by pointing out interesting landmarks and places that we come across in Canberra.

PERSONAL GOALS

To choose a personal reading goal for the remainder of Term 3 and Term 4 to work on during 'reading to self time', guided reading sessions and one-on-one sessions with teachers and educators.

You can help me at home by reading with me each day and recording this in my Home Reading log.
