At Winc we want your child to have a strong start to the new school year, which is why we have worked with your school to make Back to School hassle free.

Ordering made simple.

We've made it quick and easy to order your child's new year requirements. Simply visit **wincschools.com.au** and follow these four steps.

1. Search for your school, Amaroo School, Amaroo, ACT and enter your school access key 7RQ2S if required.
2. Complete the student's details and select Diamond Program Year 3 to Year 6.
Simply select all relevant subjects.
3. Review your requirements list and make changes if required.
Please note: some list items have been denoted by your school as a prerequisite for the subject or year.
4. Proceed to checkout.
Please note: For home deliveries only, if you have more than one student at the same school, please repeat the above steps.

Once completed, an order confirmation will be sent to your email address.

2024 Requirements List for Diamond Program Year

3 to Year 6

Your Access Key: 7RQ2S

Dear Parents/Carers, Each year we request that all families purchase stationery items to support their child's learning whilst at school. Teachers and Executive staff work hard to keep the cost to a minimum whilst ensuring students have the equipment that they need to be successful every day at school. The cost may vary slightly due to year levels, and the learning needs of the students. After purchasing your child's book pack we strongly advise that the full book pack is brought into school on the first day, if not then within the first week. Teachers can then allocate the resources to students throughout the year as they need it. In our early years, Kindergarten to Year 3, you do not need to label the resources or cover your children's books. Teachers may choose to cover children's books in art work early in the term or they may not need to be covered at all. Our Student Representative Council (SRC) have specifically requested that books are not covered in contact or any type of plastic wrap. They are aiming to protect the environment and avoid unnecessary plastic in landfill.
