

# WE ARE LEARNING...

## OUR SCHOOL VALUES

At Amaroo School we are safe, respectful, responsible learners. In Year 5 we are focussing on being respectful to the people around us. We listen to others' thoughts and opinions and share our own.

Help me at home by discussing what being respectful looks like at home and at school.

## LITERACY

To check for understanding while reading by asking questions, retelling and summarising.

To write imaginative and informative texts about a range of topics.

You can help me at home by asking me to recap books I'm reading, and encouraging me to write!

## NUMERACY

To solve problems using the four operations (addition, subtraction, multiplication and division), with a focus on mental computation.

To convert between 12 and 24 hour time.

To collect, organise and compare data in different ways and for different purposes.

You can help me at home by asking me to teach you the problem solving strategies I am learning in the classroom.

## INQUIRY FOCUS

We are learning about space and the solar system. We are learning to conduct experiments and evaluate fairness tests of investigations.

You can help me at home by stargazing with me, and by encouraging questions and helping me research the answers.

## ROUTINES

### INSPIRE CENTRE

5SKG - Thursday  
5JWG - Thursday  
5LBC - Thursday  
5LTG - Thursday  
5HCG - Thursday  
5SBC - Thursday

### PHYSICAL EDUCATION

5SKG - Wednesday  
5JWG - Wednesday  
5LBC - Tuesday  
5LTG - Thursday  
5HCG - Wednesday  
5SBC - Wednesday

### THE ARTS

5SKG - Tuesday  
5JWG - Wednesday  
5LBC - Friday  
5LTG - Wednesday
