

CURRICULUM OVERVIEW WE ARE LEARNING

OUR SCHOOL VALUES

To be RESPONSIBLE when we are at preschool by helping to look after my learning environment.

To be engaged in LEARNING experiences at preschool by experimenting, inquiring, creating, and sharing.

LITERACY

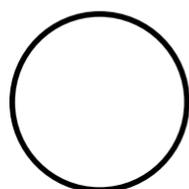

To expand our vocabulary as we listen to quality picture books.

To develop speaking and listening skills when engaging in conversations with others.

To recognise and attempt to write our own names.

To begin to tell stories through our drawings.

To develop print knowledge and concepts by listening to reading, exploring books and borrowing texts from our preschool library.

NUMERACY

To build, draw and talk about shapes and patterns in our play and learning experiences.

To use numbers and counting to explore and explain the world around us.

To expand our mathematical vocabulary to communicate our thinking and observations.

INQUIRY FOCUS

We will be exploring the idea 'I AM AN ARTIST' by creating a range of artworks with various mediums and art styles. We will experiment with colours, textures and shapes to create masterpieces that we will share with our families in Term 4 at our Art Show.

You can help me at home by encouraging me to draw, paint and create to express myself. Engage in conversations with me about my artworks and what I have created. Help me to notice colours in my world and art works in public places.

LEARNER ASSETS

To become SELF-MANAGERS by helping to pack away our learning environments and our own belongings.

To COMMUNICATE our ideas and understanding of our world with peers and educators.

ROUTINES

Preschool library

Children are able to borrow as often as they like. Please bring your library bag to school when you would like to swap your book. We also visit the Inspire Centre weekly and share a class story to become familiar with the school library environment.

Lunch boxes

We encourage you to pack a piece of fruit, a healthy snack for morning tea and a nutritious and healthy food in your child's lunch box.

HOME LEARNING - ENJOYING A PICTURE BOOK AT HOME
TOGETHER EVERY DAY.
