

Device Availability

Dear Parents and Carers,

I hope you are all well and keeping safe during this lockdown period.

By now you would have received communication from Ms Gai Beecher regarding next week's learning.

In light of the directorate online learning website being the source of learning for next week, we are now ascertaining if families need to borrow a device from the school's library so their children can access this website.

I ask that families who **do not** have a device that their child can use to fill out the Google form (link below) so we can arrange this for you.

I also ask that families who **do not** have stable internet connection to fill out the same form.

If your child currently has a chromebook, ipad, laptop or other device that they can use, there is no need to fill this out.

[Google Form Link -](#)

Kind Regards,

Will
