

WE ARE LEARNING...

OUR SCHOOL VALUES

- To respect myself and others.
- To take responsibility for my choices and my belongings.
- To be safe by keeping our hands and feet to ourselves.
- To be a learner by engaging in and completing activities.

You can help me at home by noticing when I show you these expectations.

LITERACY

- To identify letters and the sounds they make.
- To listen and ask questions.
- To learn and write names.
- To develop reading behaviours, for example, holding a book and looking at a book.
- To listen to stories.

You can help me at home by reading to me and asking me questions about what happened in the book and what we see in the pictures.

NUMERACY

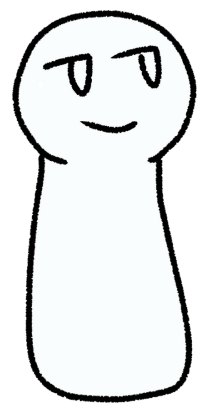

- To count to and from 10.
- To recognise numbers to 10.
- To recognise quantities up to 10.

Help me at home by noticing numbers in the environment. Count forwards and backwards with me as we drive in the car. Count with me groups of objects/items at home.

SOCIAL SKILLS

- To share with others.
- To use my manners when talking, asking, thanking others.
- To identify emotions and how to use strategies to express my emotions, for example, "I am upset".

You can help me at home by talking to me about emotions and feelings and the different signs/looks on our faces when we feel certain ways.

LEARNER ASSETS

- To work together in a respectful manner.
- To have ownership and responsibility for our own belongings.

ROUTINES
