

# WE ARE LEARNING...

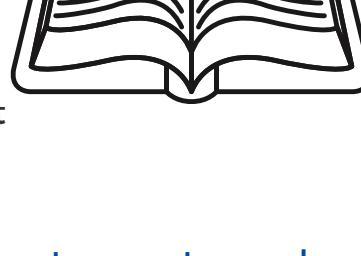

## OUR SCHOOL VALUES

- To respect myself and others.
- To take responsibility for my choices and my belongings.
- To be safe by keeping our hands and feet to ourselves.
- To be a learner by engaging in and trying new activities.

You can help me at home by noticing when I show you these expectations.

## LITERACY

- To use a variety of reading strategies
- To 'retell' what has happened in the story
- To read and gain meaning
- To write in a variety of types of text, for example, recount something that has happened or an information report.

You can help me at home by asking me to use different ways to work out unknown words. Ask me to retell the story once we've finished, reminding me to include where the story took place, who is in it and what happened.

## NUMERACY

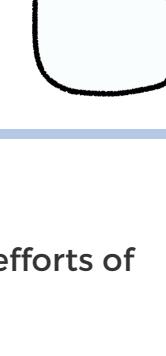

- To count to and from numbers and locate numbers on a number line.
- To make collections of numbers.
- To count forwards and backwards.
- To state the number before and after a given number.
- To recognise and describe the properties of shapes.

Help me at home by noticing numbers in the environment.  
Count forwards and backwards with me as we drive in the car.  
Starting from different numbers.  
Help me spot shapes in our home, as we drive around town.

## SOCIAL SKILLS

- We are learning to share and use our manners with others.
- We are learning to identify our emotions and ways to express these to tell someone, for example, to communicate "I am upset"

You can help me at home by suggesting strategies to help me express my emotions.

## LEARNER ASSETS

- To independently respect the rights, feelings and efforts of others.
- To work together in a respectful manner.
- To have ownership and responsibility for our own belongings.
- To understand people's body language and facial expressions and respond appropriately.

## ROUTINES

### INSPIRE CENTRE

DRNA - Wednesday

### PHYSICAL EDUCATION

DRNA - Friday

### THE ARTS

DRNA - Monday

**HOME LEARNING - READ EVERY DAY, RECORD IT IN YOUR LOG**
