

# WE ARE LEARNING...

## OUR SCHOOL VALUES

To respect myself and others.  
To take responsibility for my choices and my belongings.

You can help me at home by noticing when I show you these expectations.

## LITERACY

To make connections between texts and personal experiences.  
To identify and form my letters correctly.  
To use my letter and sound knowledge to read and write simple words  
To retell the text I am reading using 5 finger retell.

You can help me at home by reading with me every night and helping me break up the words into their sounds (c-a-t). We can also practise reading my sight words together. Ask me questions about the book we read and challenge me to retell the story. You can also help me log on to my Reading Eggs account to work on my reading and spelling.

## NUMERACY

To make connections between number names, numerals and quantities up to 10  
To compare objects using mass, length and capacity  
To group objects based on common characteristics and sort shapes and objects

You can help me at home by sorting objects (size, colour, shape). You could play board games with me (eg, Snakes and Ladders, playing cards, dominos) and support me to quickly identify numbers on a dice. Help me to count groups of objects in my environment or when out for a walk.

## INQUIRY FOCUS

We are exploring living things and what they need to survive.  
We are identifying their needs and what habitats they live in, in order to survive.

You can help me at home by taking me on bush walks and to explore the local habitats and animals in our area. Talk to me about the things I need to stay healthy and happy. I might also be able to talk about any pets at our home and how I can be responsible for looking after them.

## LEARNER ASSETS

To listen respectfully to others.  
To persist and focus on my learning even when it is challenging.  
To share and express my learning.  
To set up and pack up for ourselves.  
To notice and explain how we are thinking and feeling.

## ROUTINES

### LIBRARY

KRER - Tuesday  
KKWR - Tuesday  
KKAR - Tuesday  
KLLR - Wednesday  
KNBR - Tuesday

### PHYSICAL EDUCATION
