2027 Requirements List for Preschool

Dear Parents/Carers, Each year we request that all families purchase stationery items to support their child's learning whilst at school. Teachers and Executive staff work hard to keep the cost to a minimum whilst ensuring students have the equipment that they need to be successful every day at school. The cost may vary slightly due to year levels, and the learning needs of the students. After purchasing your child's book pack we strongly advise that the full book pack is brought into school on the first day, if not then within the first week. Teachers can then allocate the resources to students throughout the year as they need it. In our early years, Preschool to Year 3, you do not need to label the resources or cover your children's books. Teachers may choose to cover children's books in art work early in the term or they may not need to be covered at all. Our Student Representative Council - SRC - have specifically requested that books are not covered in contact or any type of plastic wrap. They are aiming to protect the environment and avoid unnecessary plastic in landfill.
