

WE ARE LEARNING...

OUR SCHOOL VALUES

To be RESPONSIBLE.

We do this by being responsible for our learning and bringing the right equipment to class everyday.

Help me at home by helping me to organise a schedule so I remember to put my device on my charger and pack my bag correctly in the morning.

LITERACY

To continue using 'The Writing Process' to plan, draft and publish different text types including persuasive texts. To identify and use the appropriate persuasive devices such as modal verbs to create a strong argument.

To reflect on my reading goals and set new goals for reading to help improve my comprehension, fluency and accuracy.

You can help me at home by encouraging me to read every night and complete my Reading Log.

NUMERACY

To investigate strategies to support the solving of problems involving multiplication and division facts to 10.

To convert between units of time and solve problems involving time duration.

To investigate measurement using scaled instruments.

Help me at home by playing card and dice games with me and encouraging me to help when cooking by measuring ingredients. Ask my teacher for some game ideas.

INQUIRY FOCUS

To investigate the physical world of forces, especially in sport. We will be tuning into the Commonwealth Games as a real world connection to this Inquiry. The students will also investigate the elements of a fair test and conduct hands on learning experiences using experiments.

To use and apply the Learner Assets of communicator, collaborator, self-manager, researcher and thinker through a range of explorative and student lead tasks.

Help me at home by discussing the different types of forces that can be used in a variety of sports that will be broadcast during the Commonwealth Games.

PERSONAL GOALS

To work on my personal goals that I have set with my teacher after discussions with my parents. I will use the strategies I learn at school during read to self, guided reading, and one-on-one feedback sessions with my teachers to help me engage in the books that I have at home.
